

Hello to everyone participating in the extended tour in Scotland!

I have a couple of pieces of good news:

- Air to Shetland during our travel dates is now open for booking, and...
- Current prices will be about ½ of what I suggested you budget! (I love it when that happens!!)

I have a request in for group air from Edinburgh to Sumburgh, returning from Sumburgh to Inverness. If I don't get a response within a couple of days, I would like to move ahead and just book all of us as individual reservations. I don't want to run any risk of seats getting limited. Our group will fill at least 1/3 of the small planes and we are traveling during peak season.

Right now, I am getting prices of \$251 and \$280. (There are a limited number of seats at the lower price. I'll snag all of them that I can get.)

If you are in a position to purchase these air tickets now, could you please respond to this message with permission to book your air to Shetland and charge the tickets, up to a maximum of \$280, to your credit card on file. If you have a need to wait for this purchase to be made, an estimated date would be helpful so I don't forget to follow-up with you.

Thanks so much. I hope that you are all enjoying the season!
