

2026 Shetland

2026 Shetland Sheep-to-Shawl Tour May 8-17, 2026 Frequently Asked Questions

You are about to embark on a wonderful travel experience that will take you from "sheep to shawl" as you travel throughout the spectacular Shetland Islands! Whether you are a first-time international tourist or a more experienced traveler, these FAQs have been assembled in hopes of providing you with answers to questions that might be on your mind. This is not an exhaustive list of information but is intended as a guide in helping you plan for your trip and avoid unexpected "surprises". I am here to help and am happy to answer other questions you may have. E-mail me at deb@fibergarden.com. I look forward to traveling with you!

Pre-trip:

- **What are the physical requirements for the tour? I have some limited mobility and difficulty walking. Will this be a problem for me?** Please be advised that travel in Shetland can sometimes involve uneven terrain, rough walking surfaces such as cobblestone and brick and farm pasture, short to medium walking distances during tours, and some stairs which can be challenging for those with mobility issues. Not all hotels have lifts. (You will not need to carry your large suitcase up stairs but will need to carry your hand baggage in hotels without lifts.) Our tour van does not have a lift, so travelers must be able to mount steps into the van unassisted. Tour company guides and drivers are unable to provide individual mobility assistance to passengers. Please contact the Fiber Garden prior to registering for the tour to discuss any concerns.
- **What about COVID and health protocols?** The health and safety of all participants is our highest priority. By choosing to participate in one of our events, you agree to take responsibility for your own safety and the safety of others. All participants in Fiber Garden events are expected to behave in a manner respectful of the group and take precautions to keep other participants safe from exposure to illness. Anyone showing signs of any illness (not only COVID) after the start of an event will be required to wear an N95 or KN95 mask at all times. You will also be asked to eat meals separated from the group to minimize disease transmission. By registering for a Fiber Garden-sponsored event, you agree to comply with any established health and safety guidelines. There may be additional protocols implemented to ensure maximum safety of participants. Protocols are subject to change at any time as public health guidance is updated.
- **Are the reservation and payment dates negotiable?** It is VERY important that you adhere to all stated deadlines for making reservations and payments to secure your space. There are a limited number of spaces available, and they will be confirmed on a first-come, first-served basis.
- **Can the price of the trip ever increase?** The exchange rate is guaranteed for our tour, so there will be no price increases in the land portion of the trip. This does not apply to airline bookings. Check with your airline for any policies regarding pricing increases after booking.
- **What do I need to include when planning my budget for the trip?** Trip cost is of interest to most of us. I am providing some guidelines here of some known and optional costs to assist you in developing a realistic budget for the trip.
 - Let's start with the basic trip costs. Tour costs for single and shared rooms are listed on the tour webpage. Here is what's included in this price:
 - Aberdeen food and beverage walking tour.

- Three meals a day beginning with dinner on the day of arrival in Aberdeen, through breakfast on our departure day. The food is wonderful, and you will not go hungry!
 - Eight nights lodging (one-night Aberdeen, six nights Lerwick, one-night Northlink ferry)
 - Airport transfer from Aberdeen hotel to airport for flight to Shetland
 - Flight from Aberdeen to Sumburgh, Shetland
 - All tour fees, guide services, transportation while we are on the Islands.
 - Overnight ferry from Lerwick to Aberdeen with an outside or inside cabin, including dinner and breakfast.
 - Transfer from Aberdeen ferry terminal to airport for return flight home.
 - All gratuities
 - Tour rain jacket and travel care package.
- Other expenses to plan for:
 - If you want to arrive in Aberdeen one night early, the prices for the extra night and meals are listed on the tour webpage.
 - Travel insurance. Travel insurance is recommended but not required. You should consider how it may help protect your investment and provide peace of mind should an illness or accident occur during your trip or if something outside of your control forces you to cancel your trip. The Fiber Garden will provide you with a price quote which varies by the age of the traveler. Insurance premiums typically average 7-15% of the trip cost, more if you are over the age of 70. To receive the full coverages offered by the policy, including pre-existing conditions, all non-refundable parts of your full trip must be covered. After receiving your quote, if you have specific questions regarding the policy and its coverage, you should contact the insurance company directly at the number you will be provided. Insurance is non-refundable.
 - Air transportation and airport parking. For budgeting purposes, you can estimate \$1,500 round trip to Aberdeen. This is dependent on prices at the time of booking and your selected air gateway and the airfare class. Airfare can be lower than this, but you want to budget adequately! Actual airfares may be higher or lower. If you are going to park your vehicle at your home airport, add that cost to your budget.
 - First payment will be \$250 upon notification by the Fiber Garden that the minimum group size has been met. (Remember...book early!) This deposit is deducted from your total tour cost. Complete instructions for paying deposits will be provided. Deposits will not be due until after our orientation Zoom meeting.
 - You will have a small taxi fare from the Aberdeen airport to our hotel...but this is not a big budget item. 😊
 - ***Final payment of the remainder of your trip balance will be due on March 5, 2026.***
 - Be sure and budget for those treasures you'll want to purchase to remember your trip. There will be lots of fiber shops, full of temptations, to explore all throughout our trip!
 - This list is not all-inclusive but should provide the major expenses you need to consider when planning the budget for your trip.
- ***What forms of payment can I use?*** Payments for our Shetland tours differ from our tours to other destinations. You will pay your tour deposit and final payment directly to our tour operator through her PayPal account. You will be able to do this using a credit card, or you can use your PayPal balance. Payment for your Northlink Ferry booking will be made by the Fiber Garden on your behalf directly to the ferry. You will need to have a credit card on file with the Fiber Garden for these payments. MasterCard and VISA are generally accepted everywhere. AMEX is sometimes accepted. ***The Fiber Garden cannot accept any payments directly.***

- **What is the refund policy if I need to cancel my trip?** The following schedule applies to individuals who must cancel their trip reservation:

Land cancellations:

- Cancellations 60 or more days prior to travel. Cancellation fee is \$250
- 59 - 30 days: Cancellation fee is 50% of trip cost
- 29 - 8 days: Cancellation fee is 75% of trip cost
- 7 - 0 days: Cancellation fee is 100% of trip cost

Air cancellations. Cancellation penalties will apply based on the policies of the airline your flight is booked with.

Reservations may NOT be transferred to another individual if you need to cancel. If you purchased travel insurance, check your policy for trip cancellation coverage.

- **Do I need a passport?** Yes, you will need a passport that is **valid for at least six months past the date of your trip**. If you need to apply for a passport or renew your passport, you can do so through the [U.S. Department of the State](https://www.state.gov). **If you need to apply for a passport or renew your passport, please do this immediately!**
- **What's this new ETA thing?** The Electronic Travel Authorization was implemented in 2025 and lets you travel to the UK for tourism, visiting family or certain other reasons for up to 6 months. You cannot enter the country without one. You will find complete information at <https://www.gov.uk/eta>. The easiest way to get your ETA is to download the app. The ETA is electronically applied to the chip in your passport. It's a simple process and the cost is about \$20. Deb will provide additional information as your tour gets closer.
- **What if I have a criminal conviction?** You may be denied entry into your chosen destination because of any prior criminal convictions. It is your responsibility to check with the appropriate embassy to assess your situation.
- **What should I pack?** Several weeks prior to the trip, you will receive a packet of information that includes a comprehensive guide to help you prepare for your trip, including a packing list. The information here is just to get you started.

You are limited to one suitcase weighing a maximum of 20 Kg (44 lbs) for the Loganair flight to Sumburgh. For your flights to and from Aberdeen, you should follow the luggage guidelines of your airlines (typically suitcases must weigh less than 50 pounds. Casual clothes are fine for both day and evening. Don't overpack!! Plan your wardrobe so you can wear a few shirts and pants in multiple outfits. (After all, you need to have room left in your luggage to stash all those treasures you'll be bringing home!!!) Comfortable walking shoes are a "must".

To help discourage overpacking, your hotel bathroom will have a towel warmer which comes in handy if you need to wash out a few pieces of clothing and get them dry. The hotel will have hairdryers in the room. Do NOT bring any type of curling iron or straightening iron as they will be destroyed if you use them on UK power. If you need one of these items, you should plan to purchase one once you have arrived in Scotland.

- **What is the weather in Shetland?** Average temperatures in mid-May on Shetland are low 50's during the day and low 40's in the evenings. You can expect it will often be windy. Beyond that, you never really know what to expect with the weather! 😊 When planning your wardrobe, think "layers" that you can easily put on and take off.
- **How will air be booked? Do I need to book my own air to Aberdeen?** The Fiber Garden will review where travelers will be coming from throughout the United States and your preferred home air gateways and will recommend flights that will coordinate your arrival into Aberdeen with others in the group. Although The Fiber Garden can book your flights, during this time of airline industry challenges, it is recommended that travelers book their own flights directly through the airlines (NOT through a third party!) so you have direct access to your air reservations. We will discuss air booking during our tour orientation Zoom.
- **How do I get from the airport to our Aberdeen hotel upon arrival?** You will need to take a taxi from the airport to the hotel which is only about a 5-minute drive. Since you will likely be arriving into Aberdeen with others in our group, you can share taxis for a very reasonable fee.

- **What else do I need to know to prepare for the trip?** There is a lot of information that could be shared here, but these are the very basics. **There will be two Zoom meetings**, that will be recorded, to help you prepare. The first Zoom will be in October or November 2025, before any deposits are paid. At the orientation, I will talk you through the first steps including how payments will be made, air reservations, etc. The second Zoom will be about 3-4 weeks prior to our departure where we will go through the final details of preparing to travel to Shetland.

The Fiber Garden will work with you all the way guiding you through the pre-trip preparations, tour documents, etc. Once you make your reservation for the tour, please be sure to thoroughly read any information e-mailed or sent to you by Deb and the Fiber Garden. It is your responsibility to thoroughly review all information sent to you.

During the Tour:

- **Can I use my cell phone?** It depends. You will want to check with your cell phone provider to see if your phone can be used when traveling internationally, and what the rates are. Personally, I purchased an unlocked smart phone and a T-Mobile account. It is very cost-effective and provides reliable service while traveling in Europe. It will be far more economical to rely most heavily on Wi-Fi for communications as it is readily available and less expensive. You can use apps such as WhatsApp or Skype to make calls using Wi-Fi.
- **Is there internet access?** Yes! Our hotels have free Wi-Fi, so you can keep in touch back home as we travel the Islands. You will also be able to access Wi-Fi at some local cafes, etc. Internet speeds can be unreliable at times but should be available in most of the locations we will visit.
- **Currency.** Shetland's currency is the British Pound Sterling. You can exchange currency through your bank, at your U.S. airport or at the airport on arrival in Aberdeen. You will get the best exchange rates once you arrive in Scotland. ATMs, available at the Aberdeen airport, will dispense cash in the local currency. Once in Shetland, there will be other opportunities to exchange currency if needed. Downtown Lerwick, has an ATM, or if you have U.S. Dollars to exchange, that can be done at the post office in Lerwick. It is best to carry smaller denominations of U.S. dollars as most places will not accept \$100 bills for exchange.

Post-tour:

- **How do I get from the ferry terminal to the Aberdeen airport?** We will have a group transfer (likely to be several taxis) that will pick us up at the Northlink Ferry Aberdeen terminal. Because the entire group will transfer to the airport at the same time, be sure you have plenty of reading material or a knitting project to help pass the time if you have a long wait prior to your flight.

I'm Ready! How do I register?

Reservations will open on a specific date and time as stated on the tour webpage and via an e-newsletter sent to those on the Fiber Garden's travel list. (If you are reading this and are not on this mailing list, please [email Deb](#) and request to be added!) A word to the wise...if you wish to participate in this tour, be at your computer on the date and time reservations open! Most Shetland tours have filled in a day.

Please contact me if there are other questions that you need answered. I'm here to help you have the best of travel experiences! I will continue to update this document and will remain in communication with each traveler as the date of our trip approaches.
